Beware of imposters, not every gaited spotted horse qualifies for Tigre or SOULON recognition. A professional breeder registers horses prior to selling them. TIGRE and SOULON are a connected registering body with a focus on reproducing a horse with the characteristics of their ancient Chinese cousins, the Soulons. While some outsider horses are welcome, we are not a round-up association for just any gaited Appaloosa. We are an evolving breed with high standards, and a specific identity in mind. If you own a spotted gaited horse you think would fit, or if you know of someone who does, we welcome your application for registration. Please allow 6 weeks after acceptance for certificates to arrive.
